10 Cool Ways Dads Can Give This Summer

1. Do something nice for the moms in your family.

Offer to prepare a meal
or look after the kids for
a day.

Call the moms who live
across the miles, or even
write a postcard.

It will mean so much!

2. Share an inspiring #WorkingMomsHK story with PathFinders.

There are wonderful
moms all around you -
your wife, mom,
colleague and Migrant
Domestic Worker.

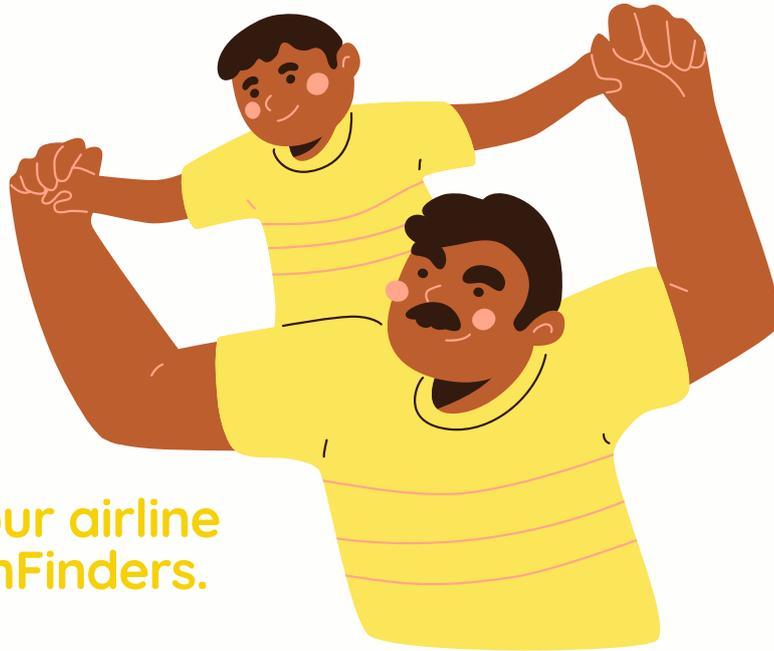

Send us a story of one
of them at
info@pathfinders.org.hk

3. Share with your children your family values - and inspire them to give and show kindness.

Giving begins at home
and dads lead by
example. Encourage
your children to practise
a small act of kindness
each day!

4. Donate your airline miles to PathFinders.

With travel restrictions still in place, why not consider donating your airline points and miles?

5. Have a family loose change challenge.

Place a jar in the family area and start collecting loose change!

Double the fun by making it a summer family challenge and donate your change to PathFinders.

6. Get your Employer to match the change you collect - when possible.

Some corporates have a matching gift programme whereby they match an employee's donation to a charity.

Find out if your Employer has this programme in place.
